

Year 11: Welcome to High School!

6 skills:

- **EOC** : speaking for a few minutes, doing a presentation, introducing somebody or a doc.
- **IO**: debating, having a conversation
- **CO**: listening to a doc and doing a recap
- **MED**: being able to summarize what we have seen, or present your group work
- **EE**: writing
- **CE** reading and understanding a doc

One notion:

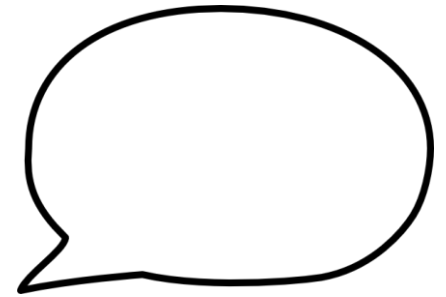

- Living together

8 themes:

- Living together with other generations
- The town/ city/ neighbourhood
- Past and present
- Creating and Art
- Sports and society
- Self representation and living with others
- The workplace
- Saving the planet

EOC: exercise:

It's a **speaking** exercise_ **not a reading** task.

It's **not** possible to have a paper with writing on;
only a few notes_ no paragraphs

- Speak about the **previous lesson** and documents seen in class (MED)
- Introduce a picture or document you had to prepare for your **homework**
- Do a **presentation** with a classmate

CO : exercice

- Listen to a **1.30** minute- long document
- You listen **three times**
- There is a **1 minute pause** between the times you listen

- You must write a recap in French about what you heard
- You will have 20 minutes for the exam

Introducing a document:

- EOC or EE
- You must follow the **guidelines** to do the presentation/ recap / and analysis of a document
- The document can be an article/ picture/ ...

Writing:

- Developing ideas
- Structuting ideas
- Expressing your point of view
- Illustrating your point of view

What I can do to help me nail the subject:

- **The more** you participate in class, **the better!** 😊
- Take about 5 to 10 minutes the day **before** the lesson to revise the vocab and the documents we studied
- Check my emails and listen to/ watch the docs we studied in class
- Use English as much as possible! : watching series, reading comics, listening to music, ..

Plus:

- **Stop** thinking you are crap because you ain't!
- **Never forget** it's totally ok to make mistakes 😊
- And remember:

Impossible is nothing 😊
